Passport 2017

Poster Day for Medical Students, Residents, and Fellows

Wednesday, April 5, 2017

9:00 a.m. – 1:00 p.m.

The School of Medicine's Research and Graduate Medical Education offices are co-sponsoring a research, quality improvement, and patient safety poster day to highlight the work of our medical students, residents, and fellows.

Call for posters will open in February.

Save the date – we hope to see you there!

- Check out student research projects
- Review quality improvement and patient safety projects from residents and fellows
- Meet potential collaborators

- Present work that you have already done
- Include in your CV
- Printing costs are covered for you

Win prizes for attending
Win awards for presenting
